My Dear Friends,

Some years ago we published a calendar of events for our parish as a source of information for both parishioners and visitors and to help organizations to plan their events so that they do not compete with one another.

I am very grateful to Mary Griste and Sheila McLaughlin for organizing this current calendar, to our contributors for submitting their programs and to Maureen Garafalo for suggesting that we publish the calendar again.

In this little booklet you will find general information such as Mass times, frequently recurring activities and also occasional activities in date order. It is our sincere hope that you will find this interesting and stimulate your interest in being even more involved in our parish.

We hope to publish this calendar every year and would welcome any suggestions you may have for future editions.

May God bless you in every way,

A handwritten signature in blue ink, appearing to read 'Fr Stuart', with a long horizontal flourish extending to the right.

Fr Stuart
